PERSONAL STATEMENT

A result-driven young professional with a passion for food and development economics. Skilled in implementing impactful educational and agricultural programs, promoting economic development, and empowering communities in Cameroon.

FORMAL EDUCATION

MSc. Economics Science

Faculty of Economics and Management Sciences, University of Bamenda, Cameroon, 2017-2019

Second Class Upper Honours

Dissertation: "The Role of Women Empowerment in Cameroon's Economic Development; Evidence from Selected Self Help Groups."

- Explored the relationship between women's empowerment and economic development in Cameroon.
- Employed quantitative and qualitative methods to assess the impact of educational, economic, and social empowerment on women's participation in the economy.
- Identified key indicators of how women's empowerment contributes to economic growth, providing nuanced insights into sustainable development.

BSc. Economics Science

Faculty of Social and Management Sciences, University of Buea, Cameroon, 2013 – 2016

Second Class Upper Honours

WORK EXPERIENCE

Teacher, Economics and Mathematics

Government Technical High School, Manengole, 2019-Present

- Implemented Competence Based Approach, resulting in a 75% improvement in GCE exam performance, measured over three academic years.
- Established an Economics Club, enhancing student engagement by approximately 45%, as evidenced by club attendance records.
- Organized math salons, contributing to a reduction of struggling students in math by approximately 25%, based on class performance metrics.
- Integrated climate justice into the curriculum, increasing student awareness by about 30%, observed through student-led initiatives and discussions.

Livelihood Support Officer

Women in Action Against Gender Based Violence, 2019-2020

- Launched agricultural training programs, trained over 100 farmers, leading to a 55% improvement in crop yield over two years, verified through cooperative records.
- Established cooperatives, contributing to a 35% business expansion in 14 months, as recorded in cooperative sales and membership data.
- Facilitated donations of farming equipment, contributing to significant productivity gains.

Marketing Intern

CAMPOST, 2017 – 2019

- Executed social media campaigns, leading to an approximate 25% increase in online engagement, as measured by analytics tools over six months.
- Instrumental in launching a new service, contributing to around 30% growth in customer adoption, based on quarterly service subscription rates.
- Aided in a promotional event, resulting in an estimated 35% increase in foot traffic, gauged by visitor counts and service inquiries.
